

Current Volunteer Opportunities:

Kitchen:

- 7-9am daily help with serving breakfast (especially the weekends)
 - You can come in as your schedule allows, volunteering for this does not mean you have to do it daily.
- 11:15-12:30am and 4:30-5:30pm daily help prepare the salad bar for serving and help with serving the meal
- 11:30-1pm Fridays help unload the donation truck from Costco
- 1:00-3:00pm Fridays help process the donations from Costco.
 - Much of this is fresh fruits and vegetables that need to be washed and some of it needs to be prepared for serving or freezing.

Front Desk

Our Front Desk runs 24/7 and is divided into 4 hour shifts. It does run understaffed. Having a volunteer come in and run a consistent 4 hour shift or two would balance out some of our members working double shifts. You would be trained for this and working the front desk is a great place to interact with the members.

- Answering the phones
- Assisting members who approach the front desk
- Building Security Checks
- Accompany female staff in and out of the building

Mailings:

We have moved to doing mailings in house to save money. We have been engaging our members to help stuff envelopes and label them. We are looking for a few volunteers that will come and work with them. They need supervision and they love the company. Often our Postcards need to be cut in half and the members can not use the paper cutter. This project can be done in the day time or evening hours.

New Member Welcome Bags:

Every new member gets a welcome bag with a basic starter kit of toiletries. Keeping up with these can be a challenge for our small but mighty staff. This is another project where we can enlist our members to assemble, having supervision and companionship while they are working would alleviate our staff.

Activities:

You are welcome to come in and head up a game night or a bingo night. We will work with you on the organization and advertisement of the event.

I have attached our Pop Can Drive flier. Please feel free to circulate it in your neighborhood/church/family etc.

If you have any questions or you are interested in volunteering here at Exodus Place. Please contact [Jeanie at Jeanie@exodusplace.org](mailto:Jeanie@exodusplace.org).
